QUALITY POLICY

RCCC Civil Contracting and its employees are committed to providing materials and services consistent with the highest possible standards and requirements of each individual client.

The company ensures this through the implementation of an Integrated Management System which provides clients with the confidence that:

- all contractual obligations are satisfied;
- objective evidence of compliance with the specified contract requirements is produced;
- communication of its commitment is provided to all levels of the organisation, subcontractors and suppliers;
- continual improvement in the quality system is achieved by setting objectives and targets, evaluation, review and training, and
- any significant aspects of projects are communicated to the respective authorities when required.

RCCC's Integrated Management System has been developed to suit the specific needs of the company in accordance with the general requirements of AS/NZS ISO 9001:2008.

Company management fully supports and endorses this Quality Policy which it implements through the RCCC - IMS Policy & Procedures Manuals.
